

Green Light Given Olympic Plan At Committee Meet

Senate Vote Expected To
Clear Way For Work
To Begin

Following the same general course as taken by the assembly ways and means committee a week earlier, the finance committee of the state senate gave unanimously approval to an expenditure of \$4,000,000 to further finance the 1960 Winter Olympic Games, when they met Friday morning at Sacramento.

State Senator Harold T. Johnson and Allen Barthelomy, representing the Olympic organizing committee, were the only speakers and the meeting consumed only 20 minutes.

Senator Ben Hulise, former chairman of the committee, asked that wording of an amendment in the item be changed to designate conclusively that all profits and proceeds from the games and all facilities built by the state be returned to the division of beaches and parks after the games. This was done and Hulise made the motion which carried unanimously.

A sizeable delegation of supporters was on hand to testify if the need arose, but no one spoke in opposition to the expenditure which had been urged by Governor Goodwin J. Knight, Finance Director John Peirce, Senator Johnson and other state officials, as well as scores of individuals and organizations.

Following passage of the item by the senate, a meeting of a joint committee to resolve amendments will be held and by the deadline on April 3, fixed by the International Olympic Committee, California will be ready with the long anticipated answer and work on the project is expected to be started immediately.

In the meantime, a vacancy on the California Olympic Commission, brought about through the resignation of John Jewett Garland of Los Angeles, a member of the International Committee, who will continue services with the organizing committee, is to be filled by Governor Knight. It is expected a southern California man will be named.

VICTOR McLANE TO PLAY IN SYMPHONY

Victor McLane has been invited to join the University of Nevada community symphony by conductor William Keith Macy, assistant professor of music at the university. McLane, who is a teacher of music in this vicinity, will play in the string section of the orchestra in the calendar of events to be heard in Reno on April 7, May 7, and 20.

WORK STARTS SOON ON DONNER PROJECT

Daryl Knoeffler, superintendent at Donner Memorial State Park, is preparing plans for a new water system and other camp improvements expected to be started next month. He will employ a crew of men, locally if possible, for the three or four months project. The camp now has 104 camp units, aside from the picnic grounds and other attractions, 50 new units having been added last fall.

ONLY THREE GATES OPEN AT LAKE TAHOE

TAHOE CITY—Only three gates from Lake Tahoe were open Monday and the level of the lake stood at 6227.01, giving reasonable assurance that the maximum high mark will not be exceeded as previously predicted.

Only a trace of precipitation was recorded Monday. Temperatures have ranged from a low of 20 last Friday to a high of 49 Sunday. Art Frodenberg, cooperative observer, announced.

Mrs. Nelson Is Feted By Friends At Shower

Mrs. Jack Neugebauer and Mrs. Harry Digest were hostesses at a stork shower and card party on Monday evening, feting Mrs. Lawrence Nelson. The honor guest was presented with gifts, games were played and refreshments were served, concluding the enjoyable affair.

MEET TONIGHT
Summit Temple No. 79, Pythian Sisters will hold their regular meeting tonight in the lodge rooms.

Grass Valley Visitors—
Mr. and Mrs. James Leamon and son of Grass Valley were Sunday guests of Mr. and Mrs. Robert Leamon.

St. Patrick's Day Celebrated—
Mrs. George Kamp and Lloyd Everett whose birth dates occurred on St. Patrick's Day observed the occasion with their respective families.

Dolley Will Quit Ambulances After 18 Years Service

N. F. Dolley announced this week that he has disposed of his Truckee Ambulance Service to Jack Ellis and John Lloyd, both of Truckee, the transaction to become effective April 1st.

Dolley originated the service here in 1938 and since that time has developed a thriving ambulance service, meeting all the needs of a fast growing community.

From one ancient vehicle which he acquired at that time, he now operates three modern, fully-equipped cars.

It is believed that Dolley has set a record in safety during the 18 years of operation. In all that time he has never been involved in an accident, despite the fact he has traveled hundreds of thousands of miles, often at high speeds and not infrequently on hazardous highways.

Dolley will continue to operate the Hotel Truckee, his apartment house and the Truckee Colonial Funeral Home, as well as conducting his duties as constable and fire chief.

The new ambulance men are both well known here, Ellis having the Shell distributorship and Lloyd operating the service station at Truckee Resort. They have made this their home for many years and are familiar with the requirements of the duties they are assuming.

Edmunds Named On Pollution Board

Governor Goodwin J. Knight Friday announced the reappointment of Dr. Victor H. Hough of Independence and Cecil Edmunds of Truckee as members of the Regional Water Pollution Control Board, Lahontan Region, for new terms ending September 30, 1959.

Dr. Hough has served on the board since February 1952, representing municipalities. He is Inyo County health officer.

Edmunds, representing water supply on the board, is Manager of the Truckee Public Utility District and a member of the California-Nevada Interstate Compact Commission. He has been on the board since December 1949.

FRED SCHULTZ TO BE ON AIRPORT GROUP

Don Huff, president of the Lake Tahoe Sierra Chamber of Commerce, announced this week the appointment of Fred Schultz, Kings Beach motel operator and active civic leader, as the chamber's representative on the district airport committee.

In making the appointment, Huff declared that he personally was firmly behind the project. He cited many instances during the summer season when guests at his Homewood Resort bemoaned the fact that there was no airport close. Many Tahoe visitors, he said, use the Reno ports, but that still leaves some distance to travel.

FORMER TRUCKEE WOMAN EXPIRES

Funeral services for Annie V. White, 81, of Sacramento were held Monday in Sacramento. She died Thursday in her home.

Mrs. White, a native of New York City, moved with her parents to Virginia City, Nev., and later to Truckee. The family left here in 1910 and moved to Sacramento.

She leaves her husband, Jerry J., and daughters Mrs. Frances Genteman of Sacramento, and Mrs. Margaret Thompson of San Francisco.

Mrs. White and her husband celebrated their 59th wedding anniversary last year.

FAIR WEATHER AS SPRING MAKES BOW

Spring was ushered in Tuesday morning at 7:21 a.m. and, locally at least, it was truly a spring day. A few robins were noted and the temperature was up in the 50's. The heavy pack of winter snow was receding swiftly as streams rushed by. There was not a cloud visible and shirt sleeves were the order of the day.

Sportsmen Plan Action At Meet Set For Tonight

Discussion On Restriction
Of River Likely At
Session Here

When the Truckee Outdoor Sportsmen and others interested in the fishing and hunting throughout this area meet at Capitol Hall tonight at 7:30, it is expected that the next step in a program to have the fish and game commission rescind its action in closing seven choice miles of the Truckee river to bait fishing, will be outlined.

A reply to the resolution adopted by the Nevada County Board of Supervisors, asking that the commission rescind its discriminatory action, indicates that no action will be taken by the group.

The reply from Monica O'Brien, secretary to the commission, follows:

"We wish to acknowledge your communication of March 8, 1956 and a copy of resolution from your board of supervisors requesting that the fish and game commission reconsider its recent order restricting a portion of the Truckee river to the use of artificial lures in angling.

"We shall call this resolution to the attention of the members of the commission, however, the attorney general's office has previously ruled that orders adopted by the fish and game commission under the authority of Sections 14 to 19.6 of the fish and game code may not be altered in any way until the regulatory powers session of the year following.

"Therefore it would appear that the commission may not legally reconsider the action taken."

A number of courses of action have been suggested in event a satisfactory explanation is not forthcoming in the immediate future.

The protests and explanations are expected to be thoroughly aired tonight when officials of the department will attend.

The prime purpose of the meeting is to discuss the fish planting program for the coming year. Vice President Charles Osburn will preside.

STAGE IS SET FOR BIG SCOUT-O-RAMA

Members of more than 60 units of Cub and Boy Scouts and Explorers Units this week are busily preparing booths for the Scout-O-Rama, a major scouting exposition, scheduled on March 23rd and 24th on the Placer County fairgrounds at Roseville. The units represent all sections of the Tahoe Area which includes Placer, Nevada and a portion of Sierra County.

Placer County Sheriff William A. Scott, general chairman of the event, stated that activity will begin at 7 p.m. on Friday with an opening ceremony by the valley district and continue until 9 p.m. On Saturday, the show will be open from 3 until 9 p.m. Purpose of the Scout-O-Rama is to show the public practically all phases of the scouting and explorer programs and to furnish all the boys an opportunity to participate.

Raymond Crandall To Serve AF In Europe

Raymond Crandall recently re-enlisted in the U.S. Air Force with the rating of sergeant and immediately left for Germany. His wife plans to join him in Europe in the near future. He is the son of Mr. and Mrs. Ed Crandall of Truckee.

BOOK DISCUSSION

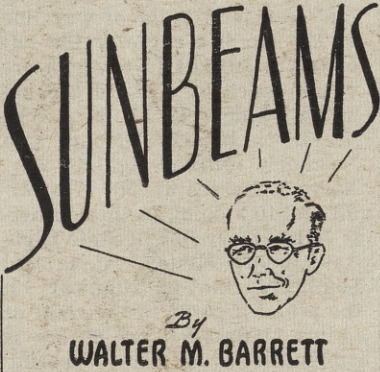

Mrs. Hilda Hintz and Robert Curran will lead a discussion of Sophocles' Antigone at the next meeting of the Great Books Discussion Group which will be held the 4th Wednesday, March 28th at 8 P.M. Copies of the assigned reading may be checked from the Community Library.

Returns Home—

Mrs. Frank A. Titus, who has spent the past few months with her son-in-law and daughter, Dr. and Mrs. A. A. Cozzallo at Reno returned home Saturday and will remain at her home here.

Official Visit—

Ralph Greenwell of Grass Valley was visitor in Truckee this week.

WALTER M. BARRETT

If the secretary to the state fish and game commission is correctly informed in her report that the commission has no legal authority to alter "in any way" an order made at its regulatory power meeting until the following year, then we think it is high time that the powers be taken away from the commission and returned to the state legislature. It is quite apparent that the commission can, if it wishes, take an arbitrary stand, disregard the wishes and pleas of the majority, and satisfy a personal whim. The recent restrictive order on seven miles of the Truckee river was an excellent example of the dictatorial powers which have been placed in the hands of the commission. It would be our suggestion that immediate action be taken by the sportsmen of the state to correct this condition. Members of the commission are not subject to the will of the voters. It must readily be seen that what happened in Truckee might well happen anywhere unless some recourse is provided. It is also, in our opinion, not in keeping with democratic ideals for any commission or other governmental agency to be strangled by its own decision for a period of one year, under a law which will not permit them to change that decision. No group is perfect, they may all make a mistake—that's a frequent human trait—but we think it a poor law which will not permit correction of that mistake for one year or any other designated period of time.

Slayer In Truckee Case Is Sentenced

Ralph Reno, Los Angeles prize fighter, who last October strangled his step-mother, stuffed her body in the trunk of his car and drove to a point just east of Hirschdale where he placed the remains in a shallow hole, was sentenced to prison from five years to life in prison.

The killer was questioned by Reno police who acted upon information received from southern California. After considerable questioning, Reno confessed and led the officers, including Constable N. F. Dolley, to the place just north of Highway 40 where he had placed the body of his victim.

At the same time he killed his step mother, Reno stabbed his father and was sentenced to serve from one to 14 years on this count, the two sentences to run concurrently.

The defendant explained that his step mother ridiculed his friends and berated him. He was convicted of second degree murder. The sentence means he can be released within five years on good behavior.

Library Stays Open

Community service to patrons of the Community Library will not be affected by the spring vacation. The library will open at 9 A.M. and remain open until 4 P.M. Monday through Friday.

Return To Live Here—

Mrs. Hugh Weinand and children have returned from San Mateo to make their future home in Truckee. They will be joined in two weeks by Weinand.

Ocean Fishing—

Robert Seibold spent the weekend with his sister and family in San Francisco and enjoyed two days of ocean fishing, doing well with the salmon.

At Lake Meade—

Mr. and Mrs. Nat Quilici and Mr. and Mrs. Fred Pedley spent a brief vacation at Lake Meade this week.

Receives Treatment—

Mrs. James Sherritt of Soda Springs is a patient at the Tahoe Forest Hospital this week.

Returns Home—

Dr. L. D. Nelson returned Monday after a trip to southern California. While away he purchased a new Cadillac convertible.

Committees For Year Named At Chamber Meeting

Lee Apple Selected As Vice
President Of Local
Boosters

Committees for the coming year were named at a meeting of the directors of the Truckee Chamber of Commerce at Smart's Thursday evening and at the same time Lee Apple, Bank of America manager here, was selected as vice president to succeed William Carver, who has left the community.

Apple was also appointed as representative of the chamber on the important district airport committee.

Meeting date changes were announced. The board of directors will meet the third Tuesday of each month at Smart's and a membership meeting will be held on the first meeting of each month at the high school.

Committees selected by President Hal Welch are as follows:

Membership: Lee Apple, Kenneth Hedlund, W. M. Englehart, Jr.

Olympic Committee: Reg Smart, Rex Reid, Earl Stice, Hal Welch and Walter Barrett.

Fourth of July: Earl Stice, Rex Reid, Dick Roberts, and Jay Richards.

Donner Lake Regatta (July 15): Rex Reid, Dan Horman, Bud Bradshaw, Tom Bonano, Ben King and N. F. Dolley.

Deputy sheriff project: H. G. Loehr, N. F. Dolley, Hal Welch and Walter Barrett.

Highway Committee: Charles Osburn, H. G. Loehr, Wayne Philippi, Walter Barrett, Earl Stice.

Industrial site: N. F. Dolley, Cliff Ellis, Gene Welch, James Walker, Rex Thomas and Clarence Tollefson.

SALE OF CHAMBERS LODGE REVEALED IN PLACER DOCUMENTS

CHAMBERS LODGE—Documents on file in the Placer County courthouse in Auburn record the sale of the Chambers Lodge to Mr. and Mrs. Thomas G. Stone of Atherton for approximately \$640,000.

The property, originally operated as a hunting lodge by John McKinney in the 1880s, largely consists of undeveloped lake frontage but has extensive quest facilities which have been in the Chambers family since 1922. Since May, 1952, George Chambers has operated the lodge under Bank of America estate trusteeship.

The papers on file in Auburn indicate the new owners formed a corporation and took in Ernest Kettenhofen of Lollins and Samuel W. Gardiner of Ross as partners.

SUMMIT RESORT IS CLEARED IN ACTION

With less than two hours deliberation yesterday afternoon a seven-woman, five-man jury decided 11 to one in favor of Soda Springs Corporation, defendant, in an \$80,000 personal injury suit filed by Dorothy Miller, who was awarded nothing.

The plaintiff had charged negligence on the part of the Soda Springs Corporation in operating a chair lift and charged she was seriously injured when she fell when alighting from the lift December 24th, 1954.

Returns To Truckee—
N. F. Dolley Was in San Francisco today and will return with Mrs. Dolley who recently underwent an operation there. She will be at the Tahoe Forest Hospital while recuperating.

Close Cafe—

Mr. and Mrs. Earl Brown announced this week that their restaurant is closed for an indefinite time while they make some repairs to the establishment and have a needed rest.

Loynd Better—

E. L. Loynd went to San Francisco last week where he is undergoing medical treatment for a leg ailment and reports received on Monday were extremely encouraging for the local business man.

Guest From Oregon—

Mrs. Cleo Klein has had as her recent guest, her sister-in-law, Mrs. Katy Driskell of La Grande, Oregon.

Highway Plan To Be Aired At Meet Here On April 7th

Proposed Route Would Go
Close To Truckee On
North Side

Details of when, where and to what extent U.S. Highway 40 will by-pass Truckee will be aired at a public meeting called by the division of highways for Saturday, April 7 at 10 a.m. in the cafeteria of the Tahoe Truckee High School.

At that time, according to a delegation of local residents, who attended a meeting of the board of supervisors last Thursday, where District Engineer J. W. Trask outlined a tentative program, a detailed map will be displayed and everyone interested will be given an opportunity of expressing himself.

Off At Monument

Under the tentative plan, the immediate rerouting will start near the Donner monument, west of Truckee, and proceed directly east, going back of the high school and keeping approximately 1000 feet south of the present route.

At the intersection with State Route 89, a clover leaf crossing would be constructed. The four lanes would then continue east going about 300 feet back of the Tahoe Forest Hospital and cross over the present route of 40 between the James McIver home and the Bungalow. This crossing would be accomplished with an overpass.

Back of School

From there, the local delegates said, the route would continue east, going approximately 1000 feet north of the present road in the general vicinity of the old high school, north of the last row of homes, north of the highway maintenance barn and cemetery, crossing just north of the old airport and quarantine station, joining the present route again in the general vicinity of Boca.

Another clover leaf would be constructed just east of Truckee to provide access to the town. Only three intersections—one at the monument, the second at the junction with Route 89 and the third east of here—comprise the only intersections under tentative plans.

While this is considered the most desirable route and the one which would apparently least effect the community as a whole, two other surveys have been made, one extending along the ridge and west considerably farther north of Truckee and the second south of the Truckee river.

Engineers have expressed the belief that the new road can be completed late in 1957.

Other Routes

Other local plans call for rerouting the highway down Donner grade, north of its present course, but this is still in the forming phase and no definite route has been decided.

The meeting on April 7th is expected to answer a question which has been asked and reasked thousands of times during the past 25 years, or since it was first made known that if Highway 40 was to remain the principal route into Northern California, it sooner or later must be relocated, the question being where.

Although there must be some adjustments, there is not expected to be any organized opposition to the route proposed by the division. It has already been agreed that the state will reconstruct the high school football field through which the road is scheduled to pass.

Attending the meeting last week beside Supervisor H. G. Loehr, were Reg Smart, E. V. O'Rourke, G. E. Lewis and C. Edmunds.

EDUCATION GROUP TO HOLD BENEFIT

CRYSTAL BAY—The Tahoe Biltmore at Crystal Bay, will be the location for the second annual scholarship dance put on by the Tahoe-Truckee Education Association.

The hotel will put on a chuck wagon buffet supper at midnight, consisting of a hot turkey sandwich and salad.

The Pine Tone Orchestra has been booked for the occasion. The proceeds from this coming dance will be given as a scholarship to some worthy graduating senior of the Tahoe-Truckee High School in June.

JERRY QUAM STARTS INFANTRY TRAINING

FORT CARSON, COLO.—Pvt. Gerald A. Quam, son of Mrs. Gladys L. Quam, Truckee, is receiving basic combat training with the 8th Infantry Division at Fort Carson, Colorado.

Quam is training with Headquarters Battery of the division's 43rd Field Artillery Battalion. The unit is preparing for its move to Europe next fall as part of Operation Grosvenor.

A 1954 graduate of Tahoe-Truckee High School, Quam entered the Army last February. He was employed by Rose Bros. Market.

Commencing at the point of intersection of the Northernly right of way line of the Central Pacific Railway Company with the southerly right of way line of the State Highway, which point is opposite at right angles Northernly and distant Two Hundred (200) feet from the center line of original main tract at Engineer's Station 12-04.93 and from which point of commencement the section corner at the southeast corner of above mentioned Section 17, bears South 2 degrees 45' 40" East 759.50 feet; thence from said point of commencement, North 81 degrees 37' 55" West along the Northernly right of way line of the Central Pacific Railway Company, a distance of 364.93 feet; thence continuing on said Northernly right of way line on the arc of a curve to the left of radius 1018.64 feet, which arc is subtended by a chord bearing South 89 degrees 51' West 301.74 feet; thence leaving said Northernly railroad right of way, North 9 degrees 37' 50" West 47.73 feet to a point on the southerly right of way line of State Highway; thence Easterly along said Southerly line of Highway on the arc of a curve to the right of radius 1160.00 feet which arc is subtended by a chord bearing North 87 degrees 44' 18" East 302.31 feet; thence continuing along said Southerly highway line on the arc of a curve to the right of radius 960.00 feet, which arc is subtended by a chord bearing South 73 degrees 12' 10" East 385.16 feet to the point of commencement and containing an area of 0.712 acres, more or less.

EXCEPTING AND RESERVING THEREFROM the following: (a) Any portion that might lie within the boundaries of the Central Pacific Railway Company's four hundred foot right of way. The meridian of this description is based upon the meridian of the highway survey—subtract 0 degrees 30' in azimuth to obtain true bearings.

(b) A portion of the Southeast quarter of Section 17, Township 17 North, Range 15 East, M.D.B. & M., described as follows:

Beginning at the intersection of the Westerly line of a power line right of way, fifty feet in width, and the Southerly line of the tract of land described in that certain deed of Southern Pacific Land Company to Vanderford recorded in Volume "62" of the Official Records of Nevada County, California, at Page 452, and from the point of beginning of the hereby described tract, the point of beginning of the tract of land described in above mentioned deed bears South 81 degrees 37' 55" East 189.24 feet; thence North 19 degrees 47' East along the Westerly line of said power line right of way for a distance of 47.30 feet to a point on the Southerly line of U.S. Highway 40, from said point a concrete highway monument on the Southerly line of said highway at Station 19-62.9 E.C. bears South 65 degrees 53' 05" East 229.04 feet; thence from a tangent which bears North 72 degrees 44' 10" West along the arc of a curve to the left whose radius is 960 feet through an angle of 2 degrees 59' for a distance of fifty feet, said arc being represented by the chord of North 74 degrees 13' 40" West 49.98 feet; thence South 19 degrees 47' West 53.87 feet to a point on the Southerly line of the parcel described in above mentioned deed to Vanderford; thence South 81 degrees 37' 55" East along last mentioned Southerly line for a distance of 50.87 feet to the point of beginning, containing 0.058 acres, more or less.

(c) A portion of the Southeast quarter of said Section 17 described as: Beginning at a point on the Southerly line of the tract of land described in that certain deed of the Southern Pacific Land Company to Vanderford recorded in Volume "62" of the Official Records of Nevada

County, California, at Page 452, and from the point of beginning of the hereby described tract, the point of beginning of the tract of land described in the above mentioned deed bears South 81 degrees 37' 55" East 240.11 feet; thence North 19 degrees 47' East 53.87 feet to a point on the Southerly line of U.S. Highway Forty; thence along the Southerly line of the said highway on the arc of a curve to the left having a radius of 960 feet for a distance of 20 feet (said arc being represented by the chord of North 76 degrees 19' West 20.00 feet); thence leaving said highway South 19 degrees South 32' West 55.69 feet to a point on the South line of the tract of land described in above mentioned deed; thence South 81 degrees 37' 55" East along the South line of the tract of land described in above mentioned deed for a distance of 20.00 feet to the point of beginning. Containing 0.02 acres, more or less.

Said sale will be made to satisfy the obligations secured by and pursuant to the powers of sale conferred in a certain Deed of Trust executed by JESSIE A. VANDERFORD, a widow, as Trustor, and GARTNER S. THOMAS and THOMAS A. WAHL, as Trustee, and BESSIE D. DEVONEY, GEORGE C. ALEXANDER and JOHN COSTELLO, as Trustee in Bankruptcy of MARION SPENCER STRICKLAND, as Beneficiary, which said Deed of Trust was recorded in the office of the County Recorder of the County of Nevada, State of California, on October 1, 1954, in Book 202 of official records at Page 50, and under Recorder's Serial No. 11297.

Default was made in the payment of the sum of Nine Thousand Five Hundred Seventy-nine and 99/100ths Dollars (\$9,579.99), the principal amount due under the terms of the Promissory Notes for which the above mentioned Deed of Trust was given as security. A breach of the obligation for which said Deed of Trust is security has occurred. Notice of breach of obligation and election to sell said real property was recorded in the Office of the County Recorder of the County of Nevada, State of California, on the 9th day of December, 1955, in Volume 215 of official records, at Page 467. This Notice is given in compliance with the demand this day made on the Trustees by the Beneficiaries.

Newcomers To State Are Warned On Tax Laws

Many thousands of newcomers who moved into California during 1955 may be liable to file California income tax returns, Robert C. Kirkwood, chairman of the franchise tax board, said today.

"New residents of California are taxed on their entire income even

in this certificate first above written.
Anabel Whang
Notary Public in and for the County of Sacramento, State of California.
(Seal)

though part of their income may be derived from another state," he declared. "Nonresidents are taxed on income derived from within California."

The tax board chairman said that "income derived from within this state" includes salaries or wages earned for services performed in California, income derived from a business conducted in California, and income derived from tangible property located within this state.

Returns for 1955 must be filed by single individuals whose net income was \$2,000 or more, and by married couples whose net income was \$3,500 or more.

What can
STATE FARM
DO FOR ME AND MY FAMILY?

Here are
8 EXAMPLES

1. Retirement income for you and your wife.
2. A debt-free home if you should die.
3. Protection until the children are grown.
4. Income for your widow after the children are grown.
5. An education for your children.
6. Care for the children if your wife should die.
7. Opportunity for your children—funds when they need them most.
8. Business security if a partner or key employee dies.

There's a State Farm Life Insurance Plan to meet your exact needs and budget!

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Spring Weather

Another week of matchless spring-like weather has just gone by, and the official first day of spring has dawned for our mountain region. We must say that most of the surest signs of spring are right on the job too. First, the spring birds are arriving in flocks, and the sun has warmed up the golf links so that the hungry robins can pull out a worm or two around the roots of willows where the snow has melted. And, oh yes, the surest sign of all: We found the first spring fly polishing his toes on our window sill yesterday morning. We think maybe

spring has really turned the corner.

Read Good

Last Thursday we had the first chance of the entire winter for a trip to Auburn, and the day was perfect. The summit highway was in excellent condition all the way except that road crews were busy about every five miles mending the last of the December flood and slide damage. We noted that about five miles more of the 4-lane improvement has been almost completed on highway 40, beginning where the road work left off last fall.

Attend Meet

Tahoe residents who attended the Placer County Chamber of Commerce meeting held at the Auburn Hotel on Thursday night included C. W. Vernon of Tahoe City, Herbert Obexer of Home-wood, and Fred Schultz and Ace Abbott of Kings Beach.

New Song

In the midst of a busy day in Auburn we delivered our latest song manuscript into the hands of the lithographer, and it is now in the process of being published in sheet music form. The song is titled "Hymn Of The Sierra", and the music with it is composed in all the parts of a chorus by music professor J. E. Pringle of the Tahoe Truckee Unified School District. The song has already been included in several programs in the unified schools and in Reno. When completed the music may be secured from both the composer and the author.

Moving

While in Auburn we met and visited briefly with Stella Watson, former old time Tahoe resident. Stella said she has sold her home at Clarksville and on Thursday she and Bob were busy moving into their new home at Gold Hill. The Gold Hill home has been in the process of building for several

months.

Recovering

Word comes this week from Ernest Pomin, of the Pomin's Resort here, who has recently been confined in a San Francisco hospital, with the good news that he has been out of the hospital for about a week now. His recovery has been progressing normally in the home of his daughter Mrs. Nellie Boge. He is still confined to his bed a great deal of the time, and the doctor's orders are for quiet, and no excitement—not even to the extent of watching television. With both Mrs. Pomin and daughter Nellie to care for him, Mr. Pomin is reported improving steadily, and is expected to be able to return home to Tahoe by the time the season opens here in May or early June.

A letter from Mrs. Mildred Henry, this week, from the Henrys' temporary residence in middle California, brings the pleasant news that the Dr. Henry family are heal-

thy and happy and keeping very busy down at Rancho Mirage. Mrs. Henry says they do miss their Tahoe home and friends, and are planning to come home with the opening of the summer season: Dr. Henry has been holding a position there as a pharmacist since Christmas. Daughter Carolyn, although only twelve years old, has been making wonderful progress in her musical career. She was recently introduced to the former assistant conductor of the Metropolitan Opera, and after hearing her sing he became very enthusiastic in his praise of the young vocalist.

400 At Ball

The annual Firemen's Ball, given at Tahoe Inn on Saturday evening, drew a capacity attendance of more than four hundred, including local residents and outside visitors. The dining room and lobby were cleared for dancing, and the orchestra was divided with half the musicians playing in each

room, with doors open between. At midnight a tasty buffet supper was served to the crowd, but it seems the attendance was so great there was scarcely enough to go around. The food was donated mostly by firemen and their wives.

Rotary Meets

On the evening of Tuesday, March 13th, the Tahoe City Rotary Club held its regular dinner-meeting in the Tahoe Inn dining room. Due to the fact that so many Rotarians are on vacation at this time, the meeting was attended by the smallest number of the winter season so far. A new member inducted at this meeting was Don French, who became a Tahoe citizen a few weeks ago when he took a position with Standard Oil, to fill the place left vacant by the transfer of Vernon Bartlett to Reno. There was no official program at this meeting, and vice president Bob Wray presided in the absence of president Steve Korich who is also away on vacation.

Mr. and Mrs. Allen Lewis, formerly of Sacramento, last week took over the operation of the Tahoe City laundrette. The Lewises recently purchased the business from Mr. and Mrs. John Edge who are leaving soon for Arizona.

Store Rooms

William G. Cook, who with his family, recently occupied the home he purchased on the corner of Grove Street and the state highway here, has erected a sign in front of his home which states that several store rooms will be built for rent on his property.

One of the nation's largest National Cemeteries is located in the Presidio of San Francisco.

CERTIFICATE OF INDIVIDUAL TRANSACTIONING BUSINESS UNDER FICTITIOUS NAME

I, the undersigned, hereby certify that I am, and for some time past have been, transacting business as a sole proprietor under the fictitious name and style of SIERRA FREIGHT LINE; that my principal place of business is located in the Town of Downieville, in the County of Sierra, State of California; that my name in full and place of residence are as follows: E. J. FOURNIER, Downieville, California.

Tahoe-Truckee School District News

DONNER TRAIL

Grades four, five and six are busy receiving letters from various places in California. We also received a box of nice sea shells from Monterey. We received a letter notifying us that we would soon get a large box of sea shells for our collection from the Tampa area of Florida. The Tampa school that is sending the shells is studying rocks, so we in turn sent them a large box of rocks from our collection. David Woodard and Ross Merica packed and weighed the box of rocks which we sent.

All of the children in the school are learning to waltz. Thursday we learned how to move around the room with a new waltz step. Candy and Bunny Board wore costumes for their dancing on Thursday.

KINGS BEACH

KINDERGARTEN AND FIRST GRADE: Another birthday child in our room this week is Cathy Rockholm. Cathy was 7 years old Sunday. Minnie Wagner had some cookies for our class in honor of the birthday.

Jay Bisio brought some magic rocks for the class to enjoy. We were happy to see Peter

Powell back so soon after his accident. Peter fell and cut his face quite badly. Everyone was curious to see the eleven stitches he had taken on his face. They reminded us to be very careful at play.

We have a new kindergartener girl in our room. She is Mary Olinghouse from Sparks, Nevada.

SECOND AND THIRD GRADES: We are proud that two of the nine winners in the district-wide poster contest on conservation were boys in our room. In the first and second grade group classification, Vern Wing took second place. In the third and fourth grade group classification, Raymond Hill took second place.

Susan and Sandra Walsh from San Leandro, visited our class Tuesday. Susan was one of Mrs. Wing's second grade pupils three years ago.

Friday, Harvey Klitzke shared candy with the entire class.

This week, our class won the thrift banner for banking the most money.

During social studies, Thursday we saw an interesting film on trains titled Diesel Locomotive. We learned how the train is washed, how the engine gets fuel, how the fuel is converted into electricity, how each locomotive has two engines, etc.

Nancy Bervid, Ronnie Baker, and Marlea Draney gave oral book reports Friday morning.

Ronnie Baker celebrated his ninth birthday at his home Sunday afternoon, March 18th. Ronnie invited all the boys in our room to his party. After the party all the boys were taken to the P.T.A. show.

FOURTH, FIFTH AND SIXTH GRADES:

The first annual conservation poster contest came to a close Friday, the 16th, with the following winners:

Grades one and two: First, Dick Pomin, Tahoe Lake School; Second, Vern Wing, Kings Beach School; Third, Alexandra Cushing, Truckee Elementary.

Grades three and four: First, Karen Critchley, Kings Beach School; Second, Raymond Hill, Kings Beach School; Third, Linda Sprague, Tahoe Lake School.

Grades five and six: First, Sharon Quinn, Tahoe Lake School; Second, Mary Ann Smith, Truckee Elementary; Third, David Decker, Kings Beach School.

Monday, the 20th, was ski day at Squaw Valley with the children from all schools participating. Kings Beach had a turn out of some 42 children, all of whom took part in the general exercises.

Tumbling in the fourth, fifth and sixth grades is coming along very nicely.

TAHOE LAKE

KINDERGARTEN AND FIRST GRADE: Tahoe Lake first graders are proud of their skiers. Vicki Jones won third place in the beginners class during the ski field day at Squaw Valley. Chris Beavers and Darlinda Stark placed in the semi-finals.

During spelling lessons this week we are finding out why we should know the letters of the alphabet. Spelling stars this week went to Jimmy Bechdolt, Vicki Jones, Darlinda Stark, Tommy Barry, Johnny Carnell, Armen Abrahamian, Marty Spitsen, Billy Rabaska, Rosemary Wray, Kim Marvin, Chris Beavers. SECOND, THIRD AND FOURTH GRADES: The story of St. Patrick inspired the second, third and fourth grade to write from memory those facts they thought were the most interesting.

Each grade has made work folders to present to the individual parent on the night of conferences which start March 21st. Samples of the daily work are being saved to acquaint parents with the progress made in the last quarter.

FOURTH, FIFTH AND SIXTH GRADES: We have three teams selling magazines. They are the Red, White and Blue. The fourth grade is the Blue Team, the White

Team is the fifth grade, and the sixth is Red. The captain of the fourth grade is Joe Hoxsie, the fifth Jean Heggie, and of the sixth grade Jerie Grinstead.

TRUCKEE ELEMENTARY

FIRST GRADE: The few warm days has enabled us to be out of doors for our games. Susanne Olano, Karen Hedlund, Gary Kehm, Kathy Braasch and Gary Waters are able to go back and forth on the rings.

SECOND GRADE: Due to the snowy condition of our yard, large groups of physical education exercises have been held indoors.

Children who chose and directed games recently were Eileen Olson and Kenneth Hensley, Dennis Richards, and Kathleen Kenyon.

THIRD GRADE: Danny Garcia, Steve Davis, Eddie King, David Saroni, Gary Sturcke, Kenneth Taylor, Gregory York, Douglas Hagens, Sheila Larrivee, Nicolosa Marroquin and Mike Ingalls made a perfect score in spelling this week.

All those having the flu are back but Judy McGinn and Dennis Stumbaugh.

Everyone is thoroughly enjoying our beautiful spring days. We have reorganized the yard games. Carol Kunkler is captain of the girls games. Jimmy Roth, David Fordham and Mike Ingalls are captains of the boys games.

FOURTH GRADE: The fourth grade has learned a new dance called The Mexican Hat Dance. Some of those participating were Sara VanSickle, Carolina Urbina, Leonard Hensley, Lynn Quartly, Wilana Curran, Jack Arterburn, Sue Halloman, Maria Marin and Liane Kay.

FIFTH GRADE: Jim Grady was the caller for a spirited game recently. He was succeeded by point-winning team members. Some of those calling were: Pamela Rose, Joe Cabrera, Janice Roth, David Pankoke, Fred Steele, Jaquelin Fuentes, Mike Kenyon, Kenneth Lloyd and Kittie Ellis.

Now that the snow has stopped, we are able to participate in more outdoor activities.

SIXTH GRADE: Lately we have been able to run relay races outside for physical education. We chose three teams whose captains were Stephanie Cozzi, Linda Giovannoni and April Lander. After a series of contests Stephanie's team won.

It was announced last week that

NOTICE TO BIDDERS

Inviting Sealed Proposals or Bids for Collection and Disposal of Garbage
Truckee Sanitary District

NOTICE IS HEREBY GIVEN, that Truckee Sanitary District, pursuant to authorization of its Board of Directors, hereby invites, and said Board of Directors will receive sealed proposals or bids for the collection and disposal of garbage in accordance with and pursuant to the provisions of this Notice, the Bid Form, the Contract, General Provisions and Terms and Conditions for Collection and Disposal of Garbage, and Ordinance No. 5 of said District, on file in said District, to which reference is hereby made for greater particularity and which said Bid Form Ordinance No. 5, the Contract and General Provisions and Terms and Conditions for Collection and Disposal of Garbage are incorporated herein as if set forth in full.

Proposals or Bids will be received at the office of said District, or delivered to John J. McGlade, Secretary of Truckee Sanitary District, Box 1251, Truckee, California, until the hour of 5:00 o'clock P. M. on March 30, 1956, at a meeting of said Board of Directors, at which said time and place all proposals and bids will be publicly opened, examined and declared.

Each bid or proposal must conform and be responsive to this Notice and shall be made on the Bid Form provided by said District; bids or proposals shall be unconditional and shall be accompanied by a certified or cashier's check payable to the District in an amount not less than 10% of the monthly amount so bid; said amount shall be forfeited to the District should the Bidder to whom the contract is awarded fail to enter into said Contract for Collection and Disposal of Garbage in accordance with his bid, within three days after receipt of notice of such award; the faithful performance of said Contract shall be secured by a personal or corporate surety bond, or cash bond in the amount of \$500.00.

The District reserves the right to reject any or all bids, to waive any irregularity or informality in the bid or bidding, and to accept the bid or proposal which in its judgment it deems most advantageous to the District.

Copies of the Bid Form, the Contract, General Provisions, Terms and Conditions for Collection and Disposal of Garbage, and Ordinance No. 5 may be obtained from the Secretary of said District as noted above upon depositing with him the sum of \$5.00 therefor, which sum shall be refunded providing said copies be returned within two days after the opening of bids.

Dated: March 22, 1956.
JOHN J. MCGLADE,
Secretary of Board of
Directors of Truckee
Sanitary District.

Registration Of Vehicles Sets New State Record

SACRAMENTO (CNS)—The state department of motor vehicles re-

Gene Miller won second prize in the conservation poster contest conducted in the school district. The prizes provided by the district P.T.A. will be presented next week.

ported that vehicle registration in California hit 6,731,656 during 1955, an increase of 8.7 per cent over the preceding year.

The department attributed the big increase to the auto "sales boom" during the year which boosted auto registrations to 5,360,717, more than 400,000 over 1954.

Truck registrations totaled 747,180, an increase of 10 per cent, and trailers 491,169, an increase of 10 per cent.

RESOLUTION SEEKS TO REOPEN RIVER

A resolution adopted unanimously by the Nevada County Board of Supervisors protesting the discriminatory action in closing seven miles of the Truckee river to bait fishermen, and asking that the action be rescinded has brought a reply to the effect that no action will be taken before next year, Supervisor H. G. Loehr was advised.

RESOLUTION

WHEREAS, The California Fish and Game Commission has seen fit to restrict a seven-mile portion of the Truckee River between Truckee and Boca to use by fishermen using artificial lures only, and

WHEREAS, this action was taken against the wishes of nearly all the citizens of the affected area, who filed protests in the form of letters to the Commissioner prior to the action, and

WHEREAS, the action was taken for the apparent expressed purpose of fulfilling the wishes of a small group of occasional fishermen who visit the restricted area only infrequently as against the wishes of hundreds of vitally interested sportsmen and business people, and in a manner unbecoming a government agency by no previous public announcement of the predetermined closure order, and

WHEREAS, this discriminatory regulation on the part of the Commission is a disservice to the sportsmen and business people of Eastern Nevada County, be it therefore

RESOLVED, that the Nevada County Board of Supervisors, in regular session, this 1st day of March, 1956, go on record as being unanimously opposed to the action of the Commission in this determination, taken against the people of Nevada County, and be it further

RESOLVED, that the Nevada County Board of Supervisors urgently requests the California Fish and Game Commission to immediately rescind its action. Be it further

RESOLVED that a copy of this resolution be spread on the minutes of the meeting of the Nevada County Board of Supervisors, that an additional copy be forwarded to the California Fish and Game Commission and another to the Public Press.

The foregoing Resolution was duly passed by the Board of Supervisors of the County of Nevada at a regular meeting thereof on the 1st day of March, 1956, by the following vote on roll call.

AYES: Supervisors Curtis R. Clark, John L. Frank, J. C. Coughlan, Guy N. Robinson, H. G. Loehr.

NOES: None.

ABSENT: None.

Signed and approved by me after its passage this 1st day of March, 1956.

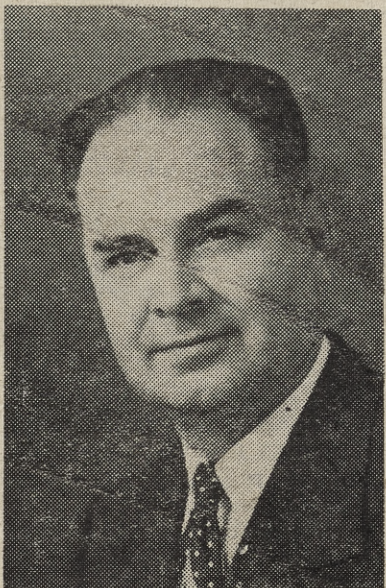

CURTIS R. CLARK
Chairman of the Board of Supervisors.

ATTEST:
R. E. DEEBLE,
Ex-Officio Clerk of the Board of Supervisors.

TRUCKEE
CHAMBER OF COMMERCE

FINAL SERVICE IN SERIES SCHEDULED FOR NEXT SUNDAY

Rev. Leo Hamilton

KINGS BEACH—The final evening service of the special Lenten series of "Four Nights for God" will be conducted this Sunday evening at the Kings Beach Methodist Church, and will feature a sermon by Rev. Leo Hamilton, pastor of the Sparks Methodist Church. His topic will be, "The Disciple in the Dark," and the song service will begin at 7:30 P.M.

This special series of evangelistic services has been sponsored by the Membership and Evangelism Commission of the local church, consisting of Judge Harry Charlson, Mrs. Eda Judy, Mrs. E. E. Thompson, and Mrs. Ray Plunkett. Speakers for the month have been John McMath, of Rio Linda, Fred Rinehart of Carson City, Joe Pritchard of Fallon, and Leo Hamilton who will speak next Sunday.

Membership Sunday will be observed at the Kings Beach Church during the eleven o'clock worship this Sunday. New members to be received include Mr. and Mrs. Dallas Hughes, Mr. and Mrs. Michael Cinani, Mrs. Walter Bailey and others. Recent additions to the membership include Mrs. Mae Brown, Mrs. Chester Robertson, and Bud Robertson.

The pastor's sermon for this service (which is Palm Sunday) will be a discussion of the Kingdom of God as "The Goal of Christian Experience". Watch for the special announcement next week regarding the Easter Services of the Church which will include a Cantata by the Choir (with colored pictures) in addition to the Easter Worship and Sermon. Arrangements are being completed to hold the Easter Services in the Brockway Theater as heretofore at 10:30 A.M.

STATE FARM LEADS IN INSURING CARS IN U. S. FOR YEAR

Again in 1955 State Farm Mutual was the nation's number one insurer of automobiles, Adlai H. Rust, president, announced from the Bloomington, Illinois, home office.

F. W. Wilson, local agent for the firm, said that State Farm Mutual Automobile Insurance Company, according to official figures, led all competitors for the fourteenth straight year in both earned premiums and number of cars insured. Wilson pointed out that today State Farm protects over 4,000,000 cars, half a million more than any other company.

On the dollar side, the company's earned premiums were \$231,375,000, up 12 per cent over 1954. This included \$225,755,000 of auto premiums. Direct premiums written stood at \$235,880,000, up almost 14 per cent.

In 1955 several millions in additional savings were returned to

Decline In Traffic For February Is Recorded

SACRAMENTO —(CNS)— A decrease in the number of cars entering California in February as compared with a year ago was reported today by the state bureau of plant quarantine.

The bureau said 191,095 cars passed through its inspection stations during the month, compared with 197,138 in February, 1955. The number of out-of-state cars, however, showed a slight increase, from 103,915 for February of last year to 104,163 for last month.

The number of out-of-state passengers entering the state remained about the same—260,997. Incoming truck traffic increased from 23,078 for February, 1955, to 25,084.

The company's policy holders through rate reduction programs. State Farm Mutual, an "independent" company, figures its own rates, according to the accident records of its own policyholders. Generally, Wilson said, State Farm rates run from 10 per cent to 40 per cent or more below those of most other companies, depending on the area and type of coverage.

STRICTLY STRICKLAND

By Bill Strickland

We would like to express our sincere thanks to the business firms and individuals listed below. Their contributions and support made possible the fielding of a very representative ski team in the Junior bracket from the Donner Summit and Soda Springs area:

Soda Springs Ski Corporation, Soda Springs Hotel, Beacon Hill Lodge, Donner Summit Lodge, Crest Lodge, Soda Springs Skate & Ski Shop, Buck Ski Shop, The Snowflake, Zorich Ski Shop, Rowton's Service Station.

Soda Springs Rope Tows, William Rutherford, Al Magdefrau, Bill Strickland, Bert Barber, Paul Norboe, Norm Saylor, Frank Cummings, Jack Doolin, Doc Rockholm. Larry Claiborne, Rich Garland, Foster Weeks, Marsh Finch, Hilmar Schubert, Elden Tonini, Edvi Aro.

Signed Ronnie Rau, Dennis Ho-

gan, Bob Strickland, Sherman Reams, Russ Coffee, Molly Babington,

American Legion Junior Racers.

Donner Summit Post No. 811 and The American Legion Ski Club members are certainly pleased that they were able to participate in a Junior program and all of the members are very sincere in their desire to continue this program in the hopes that many more youngsters will avail themselves of the skiing opportunities offered.

The American Legion Ski Club is having a benefit Friday, March 30, at the Soda Springs Hotel. Awards to be made include 1 pair of Stein Ericksen or Rossignol Skis; Three Day Week-end for 2 at Soda Springs Hotel, Beacon Hill Lodge and Donner Summit Lodge; 7 Days Unlimited Ski Tow Pass for 2; 1 pair of Kastinger Ski Boots; 1 pair Edelweiss Ski Pants; 1 pair Ski Poles; 1 Nylon Ski Parka; 1 Ski Sweater.

Spring weather has finally arrived for the skiers and, boy, what a rash of sunburned faces. Lotions or creams are certainly the order of the day.

Sales and SERVICE

NORTH TAHOE

By JUDGE HARRY CHARRISON

Opening Up

Ran into Dr. A. J. (Bart) Hood the other day as he was up looking over his beautiful home in Carnelian Bay, and is just about ready to get it opened up. He said that he might build a motel on the old property at Brockway, where the quonset hut stands. The doctor used it as a hospital some few years ago and after that it was used as an open air theater.

Back Again

Even the real estate men are coming in. Yes, besides Earl Gray, I see Harry Stubley has returned. Harry had been wintering in Auburn, and with weather like we have had during the past week, they will be coming thick and fast. Today, Sunday, has been the best so far, the snow is fading quickly and the sun was hot today with a temperature of 50 degrees. Spring is almost here, or will be before this goes to print. Oh yes, had lunch on the front porch today.

Shows Off

Cloyd and Dorothy Sipes and of

course the wee bairn have been spending a couple of weeks at Cloyd's mother at Tarzana and on the way back they are to spend a while with Dorothy's mother at Salinas. Of course they are mighty proud of their sweet little daughter. And by the way, you should see young Michael Konazowich. He is getting quite a big boy now. Next thing we know Mike senior will be putting him to work.

Accident

Young Bob Mulsberry received a very bad cut on his left arm while practicing at the high school gym last week, necessitating around 60 stitches. He was attended at the Tahoe Forest Hospital. The arm will be very painful for some time and it was necessary that he stay from school for a while.

Practice

There was a fire drill called by Max Krueger at Kings Beach last Sunday morning. Just as a test, Max tells me, that 8 firemen attended in one minute and 16 in four minutes. It is requested that individuals do not use the phone of the fire department as that is for the members of the department, also that those not members should not respond until the firemen are

actually on the job, and even then stay away until asked for your assistance. So, please cooperate, it is to your advantage.

Resting Up

Bob and Mrs. Snyder have had a nice stay at Palm Springs for the past couple of weeks, and by all accounts have spent a very enjoyable time. They certainly need to rest up while they can, as this promises to be a humdinger in the building line.

House Warming

Dallas and Mrs. Hughes who recently bought the C. E. Gansert home on Brassie Avenue on the golf course had a real house warming last Sunday afternoon, when many of their friends gathered to wish them lots of happiness. Rev. A. B. Covher dedicated their home to happiness, health and prosperity. Those attending the occasion were Mr. and Mrs. Ray Plunkett, Bob and Mrs. Howell, Ace and Mrs. Abbott, Jimmie and Mrs. Chastain, Gene and Mrs. Thompson, Rev. Covher, Mrs. Peggy Thompson, and daughter, Chet and Mrs. Robertson, Miss Eloise Knutsen and the Charrisons. The Ganserts are building a new home on Brassie just south of the Miedema-Williams home. It just so happened to be Millie Chastain's birthday, too. Happy Birthday Millie.

Tripping

Just received a card from Tom and Mrs. Sutton. They were in Guadalajara, Mexico and they are having a grand time. The weather is real hot. They will be back in April.

Warming Up

Mel and Mrs. Throop are away at Palm Springs for a couple of weeks. Mel as you know was badly hurt a couple of weeks ago, so is taking the vacation from his school work, to relax and enjoy some nice warm weather. We hope he comes back feeling like a million.

Bow-N-Arrow

Last Tuesday the Lake Tahoe Archers, Inc. was in competition with the Washoe Bowmen. Mike Cunningham of Reno took first place, Clark Powell and Doctor Holmes took second and third. The Washoe Bowmen were invited to come to the Lake Tahoe Archers Club for a shoot and it will be held on March 25th. The shoot will commence at 10:30 a.m. and after 14 targets have been shot, there will be a buffet lunch for all at one dollar a piece. Are you interested? Then come along as it's lots of fun.

Florida

Also had a very nice letter from Mr. and Mrs. Doug Free, who tell me they are basking in the sunshine at Maderia Beach, Florida,

WANTED BY THE FBI

THOMAS FRANCIS RICHARDSON

Unlawful Flight To Avoid Prosecution (Armed Robbery)

DESCRIPTION: Age 48, born March 22, 1907, Boston, Massachusetts (not verified); height, 5' 7" to 5' 8 1/2"; weight, 140-145 pounds; build, medium; hair, gray; eyes, blue; complexion, ruddy; race, white; nationality, American; occupation, longshoreman; scars and marks, scar on left side of head; remarks, may be wearing rimless eyeglasses, has a full upper and lower denture, has a noticeably hoarse voice, is a chain cigarette smoker, is fastidious in personal neatness, reported to be a heavy drinker of intoxicants and is reported to have a habit of losing false teeth when drinking.

Richardson should be considered armed and extremely dangerous.

A complaint was filed before a U. S. Commissioner at Boston, Massachusetts, on January 19, 1956, charging Richardson with unlawful flight from the State of Massachusetts to avoid prosecution for the crime of armed robbery of Brink's Incorporated which occurred at Boston, Massachusetts, on January 17, 1956.

Any person having information which may aid in locating this fugitive is requested to contact the nearest office of the FBI, the telephone number of which appears on the first page of local telephone directories.

3,400,000 TAXPAYERS EXPECTED TO FILE

California state taxpayers were alerted by Robert C. Kirkwood, chairman of the franchise tax board, that 1955 state income tax returns have been mailed to everyone who filed a state return last year.

"We're expecting about 3,400,000 returns to be filed this year," Kirkwood declared. "That is a jump of about 11 per cent over last year. The increase results, of course, from the expanding population and general economic growth of California."

The tax board chairman said that anyone required to file an income tax return who did not receive a blank in the mail should request one from the local office of the franchise tax board, or should write to 1020 N Street, Sacramento.

"State income tax returns must be filed by all single individuals who earned \$2,000 or more last year, and by all married couples whose earnings were \$3,500 or more," Kirkwood said.

"Returns are due by April 15. But because that date falls on Sunday this year, 1955 returns will not be delinquent if they are filed or postmarked on or before midnight of Monday, April 16."

catching lots of fish, swimming, and taking lots of pictures which should be very interesting to see, when they get back.

Early

What a surprise to see Earl and Mrs. Gray come into town and looking fine, and they are here to stay, getting an early start, says Earl. Going up and down to Tahoe City it is really surprising to see a number of residents digging out their driveways. If this weather keeps up the sun will do the job for them as this week has really been tops, warm sunshine, and a beautiful lake, wonderful to look upon.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO—(CNS)—Attorney General Edmund G. Brown issued an opinion recently concerning guaranteed employment plans which conceivably can reopen some of the sores in the labor-capital relationship which are showing signs of healing insofar as the administration of unemployment insurance is concerned.

Substantially, the opinion held that despite the fact that a worker receives money under a so-called guaranteed plan, he is also eligible for unemployment insurance.

The question was put to the attorney general by Assemblyman Jack A. Beaver, of Redlands, with relationship to the current contact between the Ford Motor company and some of its employees who are members of the United Automobile, Aircraft and Agricultural Implement Workers Union, which provides for the setting up of a trust fund to assure unemployed workers of from sixty to sixty-five percent of their weekly earnings, including the unemployment insurance payments.

Admitting that the question is serious with relation to the laws of the state governing unemployment insurance payments, the opinion points out that a claimant for state benefits to be eligible must be able to work, and must seek work, and must be available for work during the week for which he is paid.

This, however, is not the question in the opinion of the attorney general, but the determination must be made on whether the guaranteed employment payments are "compensation for personal services."

After quoting several pages of law and decisions of the California Unemployment Insurance Appeals Board, the attorney general comes to this conclusion:

"We conclude that payments made to employees pursuant to the plan would not be 'wages' in the meaning of the Unemployment Insurance Code. Having reached the conclusion that the supplemental benefits are not 'wages' we believe that it is not necessary to consider 'with respect to' what week the benefits are payable."

Harry Stewart, director of the state department of employment,

says he does not know as yet how the decision will affect administration of his department, and he also stated that he will ask the advice of the newly formed Advisory Council on the subject. This council is made up of three representatives of labor, three from business, and one member presently from the office of Governor Goodwin J. Knight.

The attorney general's opinion, while it mentions the requirement that an unemployment insurance claimant must be "available" for work, does not specify as to whether a worker receiving benefits both from his place of employment, and the state of California, is actually "available" in the event the Department of Employment offers him a job.

This, then probably will be a deciding factor in whether or not the Department will go along with the attorney general's opinion, or whether more legal controversy will be necessary before the matter is decided. For the opinion as it stands at the present time, depending on the growth of guaranteed employment plans, could cost

Agreement With State Would Provide County With New Health Setup

Unanimous approval was given by the Nevada County Board of Supervisors last week to a suggestion that this county enter into an agreement with the state department of public health for contract service for the county health department.

The plan would cost the county several hundred dollars less than is now being paid and it would provide for considerable increased service. Supervisor H. G. Loehr declared. These additional services would include a full time registered sanitarian, one or more full time health nurses, medical and administrative supervision of all the service of the state department with the county furnishing a part time health officer, a clerk and office space.

No Highway Deaths In This Area In January

SACRAMENTO (CNS). The California highway patrol reported no highway traffic deaths in the Truckee-Roseville patrol area during January.

This compared with no fatalities for the same area in January, 1955. The number of traffic accident

injuries totaled 58 for the month, compared with 44 a year ago. Accidents reported in the area numbered 43, compared with 37 in January of last year.

Statewide, fatalities on rural highways reached 109, a decrease of seven, or six percent, from a year ago. Injuries totaled 3,846, a two per cent decline from January, 1955. The number of reported accidents was up 7.2 per cent, totaling 4,231.

THE PASTIME

Cleo Klein

On Highway U. S. 40
Truckee, California

Division of Highways foreman Armond Close, telephone in hand, sends his on-the-spot report of road conditions from Donner Summit. Donner Lake is in the background.

A state-wide teletypewriter network operated by the division of highways plays a major role in providing Californians with the fastest and most complete winter road reports in the nation.

The system is so efficient that many times a storm is still raging as reports of its devastation are reaching the public. Under ordinary conditions, a complete state-wide road report by 10 a.m. is considered routine.

The teletypewriter network, installed and maintained by Pacific Telephone, transmits information gathered by the division's two-way FM radio system to every point in the state—quickly and accurately.

Each morning during the critical winter months, division of highways foremen all over the state inspect their own areas and send reports by radio to their maintenance superintendents. The reports are then passed on to a district office, which in turn radios them to headquarters in Sacramento.

A special code is used to simplify and speed up the transmission. The Sacramento office com-

piles the state-wide report.

This is where the teletypewriter comes in. An operator cuts a tape on the report. By running the tape through a machine, the complete report can be sent to teletypewriter receivers all over the state simultaneously. It is then passed on to newspapers, radio and TV stations, and other interested organizations.

"The teletypewriter system gives us speed and accuracy and it doesn't tie up our radio facilities," said Arnold Carver, departmental communications engineer for the division and the man responsible for the state-wide network.

The system, without parallel anywhere in the country, is strictly a postwar development.

Carver started in 1947 with a single radio station in the Eureka area. Its purpose was not primarily road condition reporting, but the expediting of highway maintenance work—prompt dispatching of crews, materials and equipment to critical locations. This is still the main year-around function of the network; the road report is an extra dividend.

During the heavy flood of the winter of 1948, the system proved so valuable that plans were made to cover the whole state.

A typical road report today tells actual weather conditions, such as, "it is snowing on Highway 40," and also indicates road closures, delays caused by construction, need for chains, and other pertinent information.

Such reports are of great value not only to commercial transport and other travelers, but also to the state's vast army of winter sports enthusiasts.

The division has, in fact, received so many requests for weather and road information that it is recently installed two Pacific Telephone automatic answering sets in the Sacramento office. These provide callers with a quick recorded summary of conditions.

The teletypewriter system has proved so successful that Oregon and Washington have recently arranged with Pacific Telephone to set up teletypewriter links with California for exchange of road information on major arteries serving the three states.

License Fees Shared By Nevada County

SACRAMENTO (CNS)—State Controller Robert C. Kirkwood today announced distribution of \$8,963,311 in motor vehicle license fee revenue to cities and counties for the period from June 1 through November 30.

Nevada county received \$8,419 from the allotment which went to counties, based on \$42 per capita.

Kirkwood said the apportionment to cities and counties was \$3,158,875 over the apportionment a year ago.

Net revenue from vehicle license fees for the period totaled \$10,594,351. Of this amount, \$330,812 went for semi-annual interest on highway bonds, and \$1,300,000 for administrative costs of the state department of motor vehicles.

EASTER ACTIVITIES AT SUMMIT PLANNED

NORDEN— A full week of activities is planned by the Sugar Bowl for Easter, starting Saturday, March 24th with the Eagle Standard race at 12:30 p.m. Sunday the Oakland Ski Club's children's races will be held and all during the week special events are scheduled with the annual Easter breakfast and the Walt Disney trophy race at 11 a.m. and the Easter bonnet parade at 1 p.m.

The National Veterans gigan slalom championships will be held April 15 and the 14th annual Silver Belt race on April 22nd.

HONORS SHARED AT JUNIOR SKI MEET HELD LAST SUNDAY

TAHOE CITY— Top honors in the Squaw Valley-Lake Tahoe Ski Club's annual Junior Tournament were shared Sunday by Rex Donaldson of the host club and Starr Walton of Sacramento, both of whom competed in the senior 13 to 15 years of age grouping.

Donaldson gathered 196 points in the combined slalom and ski jumping scoring— placing third in the race test and winning the jump with two flights of 62 feet.

Squaw-Tahoe boys also took the next two spots when Jim Heuga scored 195.8 points and Kit Schull 192.7.

Special awards were given to Randy Capura of Reno in the Senior Boys' event for finishing under great odds. Strahn Woodard of Soda Springs received a special award for sportsmanship and an excellent jump while Sandy Fellows of Tahoe was rewarded for jumping with the boys and the Jimmy Baker novice trophy for jumping went to Larry Piche of the Tahoe Club.

The three top winners in the various classes were as follows: Junior Boys Combined: Craig Holiday, Westwood; Rickey Schull and Greg Moore of Squaw-Tahoe.

Intermediate Boys: Trent Gianini, Perky Becholdt and Wayne Poulsen, all of Squaw-Tahoe.

Senior Boys: Rex Donaldson, Jim Heuga and Kit Schull, all of Squaw-Tahoe.

Girl's Slalom: Cindy Gooding, Alexandra Cushing and Danny Pomin. Intermediate Girls: Lily Cushing, Deanna Gay and Sandy Fellows. Senior Girls: Starr Walton, Patty Nast and Smiley Tschopp.

SCHOOL STAFFERS AT LAKE ROTARY MEET

KINGS BEACH— The Brockway Rotary Club was host at their regular meeting Monday night, to members of the staff and student body of the Tahoe-Truckee High School.

Vice President H. E. (Pappy) Brooks presided, and after several business matters were attended to, he turned the meeting over to Program Chairman Hank Dodd, who requested Fred Schultz to introduce the guests.

Representing the staff was James Pringle, who heads the music department and instructs and leads the two high school bands. He outlined the progress of the bands and their plans for the future, and the benefit to the members. Pringle in turn introduced Dennis Thompkins, a member of the band who described the band from a member's standpoint; another speaker representing the band was Doug Wilson who told what music and the band meant to him.

Jim Brehler, high school coach and head of the physical education department, described the work of his department and called on Wes Ball, a member of the varsity basketball team to give his ideas.

Brehler stated that out of 15 conference basketball games they had played, they had won 10.

The program chairman showed a fine scenic colored motion picture entitled "Hawaiian Hospitality".

HEARING DATE

TAHOMA— The Placer County Board of Supervisors have set June 14 at 2 p.m. as the time for hearing an application from S. D. Sartor for a building permit to improve or expend a trailer court on his property at Tahoma, Lake Tahoe. Anyone desiring to appear for or against the granting of the permit may be heard at that time.

CHURCH NOTES

Rev. Osman will speak on "The Meaning of Christian Baptism" at the Palm Sunday service this Sunday. Those persons interested in baptism for themselves or their children are urged to see the pastor as soon as possible.

The high school MYF is looking forward to the trip to Auburn for the Sacramento-Nev. District MYF convention to take place this Friday and Saturday, March 23 & 24.

The Intermediate Fellowship meets at the usual time of 5 P.M. on Sunday evening.

SKI CLUB MEET

TAHOE CITY— The regular meeting of the Squaw Valley-Lake Tahoe Ski Club will be held Friday evening, March 23rd at 8 p.m. in the Community Building at Tahoe City. Movies will be shown and refreshments served.

Mrs. Wing Honored At Tahoe Birthday Party

KINGS BEACH— Friday evening, March 16th a number of residents from the North Tahoe area swarmed into the Otis Wing residence to surprise Mrs. Wing on her birthday.

The group prepared and served a pot luck dinner of appetizers, spaghetti, tamale pie, and shrimp, gelatin and tossed salads. An enormous cake with "Happy Birthday Kay" inscribed on top was presented to the honoree to cut and serve to the group.

The people who attended and helped make the surprise party a huge success were: Mr. and Mrs. Thomas Lucas, Mr. and Mrs. Willis Mizner, Mrs. Frank Wagner, Mr. and Mrs. Dan Anderson, Miss Elsie Knudsen, Mr. and Mrs. Robert Critchley, Mr. and Mrs. Raymond Bisio, Mr. and Mrs. Robert Stevenson, Mr. and Mrs. Carl Christiansen, Mr. and Mrs. Earl Althof, Mr. and Mrs. Jerry Gordon, Mr. and Mrs. Skeet Thompson, Mr. and Mrs. Bud Mandeville, Mr. Otis Wing and the honored guest, Mrs. Otis Wing.

Dorothy Kay Selected As Lodge Treasurer

Mrs. Dorothy Kay was installed as treasurer of Naomi Rebekah Lodge No. 2 at the meeting held March 14 with Mrs. Laura Horman residing.

Mrs. Pearl Heller, district deputy president was installing officer and later instructions were given to new officers by the noble grand. Mrs. Heller and Mrs. Ruth Gruss composed the refreshment committee and pictures were taken of officers and staff members for the year book.

In Hospital—

Charles Heller is undergoing treatment this week at the Tahoe Forest Hospital.

St. Patrick's Day Feted At Wyethia Club Meet

St. Patrick's Day meeting of the Wyethia Club was fittingly observed in the Methodist Church when sack suppers with shamrock decorations were served by Mrs. Anita Allison, Mrs. Laura Horman, Mrs. Edith Welch.

Mrs. Welch presided at the business session and Mrs. Helen McCarty, recently returned from Mexico took over her duties as vice president. Roy Baker, librarian of the Tahoe Truckee Unified School District was the guest speaker telling of the recent growth of the school's library and invited everyone to visit there six days a week, the room being open from 9 a.m. until 5 p.m.

Who are the biggest
Barley Producers in America?
—Californians!

And who buys most of it?
—The Brewing Industry!

Our state's biggest grain crop is barley. California produces more barley—64,116,000 bushels last year—than any other state. Our farmers make over \$66 million annually, growing it.

Much of this important California crop goes into the brewing of beer and ale. And, of course, brewers buy 100% of California's world famous hop harvest—to the tune of more than three and a half million dollars every year. In addition, the Brewing Industry purchases large quantities of other food products from California farmers every year.

WELL, FOLKS, I FINALLY READ OVER THE LETTERS YOU SENT IN ANSWER TO MY QUESTION, "IF YOU HAD ONE WISH WHAT WOULD IT BE"--I'VE DIVIDED YOUR WISHES INTO SECTIONS. GOT ANY NOTION WHAT MOST PEOPLE WANTS? WELL, IT'S A HOUSE!! NOT A BIG ONE, JUST A PLACE T'CALL THEIR HOME!

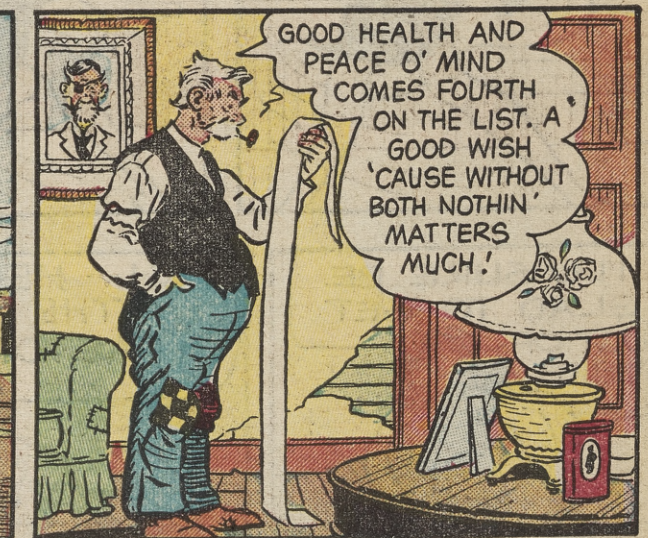

NEXT COMES A WISH FOR MONEY TO PAY OFF DEBTS! WELL, THAT FIGGERS!

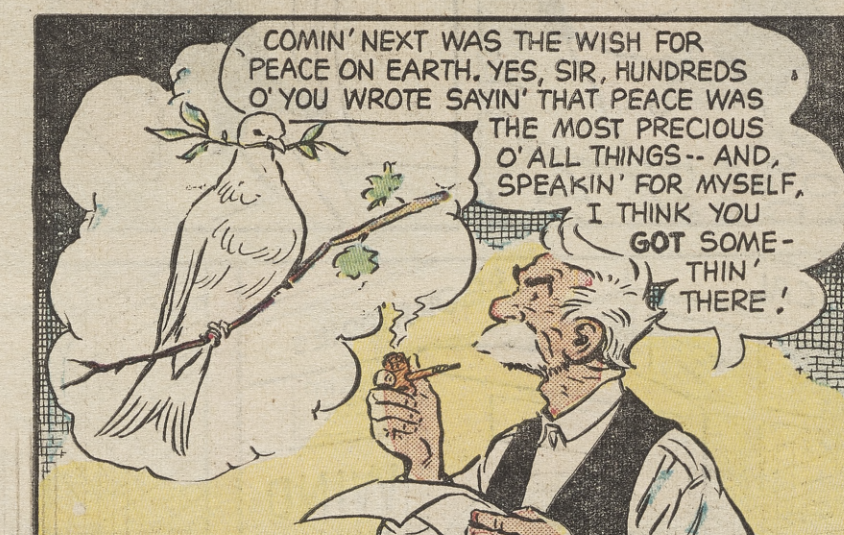

I GOT THE BIGGEST BANG OUT OF THEM FOLKS WHO ONLY WANT TO BE ABLE TO HELP OTHERS. SO MANY OF THEM WONDERFUL PEOPLE WROTE IN!

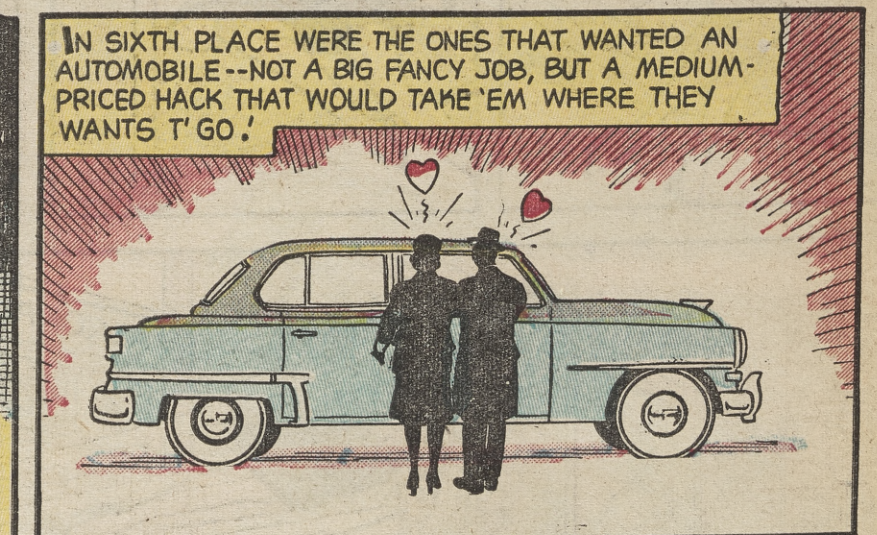

GOOD HEALTH AND PEACE O' MIND COMES FOURTH ON THE LIST. A GOOD WISH 'CAUSE WITHOUT BOTH NOTHIN' MATTERS MUCH!

COMIN' NEXT WAS THE WISH FOR PEACE ON EARTH. YES, SIR, HUNDREDS O' YOU WROTE SAYIN' THAT PEACE WAS THE MOST PRECIOUS O' ALL THINGS--AND, SPEAKIN' FOR MYSELF, I THINK YOU GOT SOMETHIN' THERE!

IN SIXTH PLACE WERE THE ONES THAT WANTED AN AUTOMOBILE--NOT A BIG FANCY JOB, BUT A MEDIUM-PRICED HACK THAT WOULD TAKE 'EM WHERE THEY WANTS T' GO!

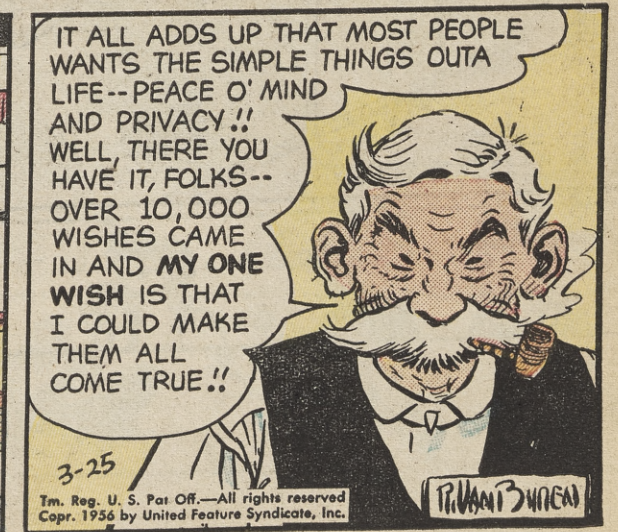

COURSE, MOST KIDS WANTED A HORSE, A DOG, OR A TV SET!

SPEAKIN' O' UNUSUAL WISHES, SOME WROTE IN FOR EVERYTHING FROM A DATE WITH MARLON BRANDO TO A HEARING AID, A NEW NOSE, A HUSBAND, ALADDIN'S LAMP, HAVIN' THEIR SONG PUBLISHED, AND TRIPS TO ABOUT EVERY PLACE ON THE MAP!

IT ALL ADDS UP THAT MOST PEOPLE WANTS THE SIMPLE THINGS OUTA LIFE--PEACE O' MIND AND PRIVACY!! WELL, THERE YOU HAVE IT, FOLKS--OVER 10,000 WISHES CAME IN AND MY ONE WISH IS THAT I COULD MAKE THEM ALL COME TRUE!!
